## DEDICATION

Mrs. Kathy Foulkrod, Amberly, 4. Tiffany, 7, Mr. Frank Foulkrod

We, the Class of 1988, would like to dedicate our yearbook to a very special person who has helped to "make the pieces fit." Mr. Foulkrod has always been there for us, as both a teacher and friend.

Mr. Foulkrod grew up in Brookville and graduated from Clarion University of Pennsylvania. He has taught English and French in the Brockway School District for eighteen years and is presently the Junior Class Advisor.

He and his wife, Kathy, are the parents of Tiffany, 7, and Amberly, 4. Working in his evergreen nursery and playing golf are two favorite hobbies of Mr. Foulkrod.

We thank you, Mr. Foulkrod, for teaching us and guiding us through our years at Brockway High School. For this, we dedicate our yearbook to you!

## HOMECOMING 1987

(L to R) Gary Arbiaster, Leslie Paruso, Chris Rose, Lori Zarlinski, John Carlson, Kelli Genevro, Kerri Powell, Dave Town, Jeanie Ortz, and Jeff Hatzfeld

The Homecoming Activities began September 18, when the names of the 5 ladies chosen by the football team, and the Senior Class were announced during a Pep Rally put together by the Varsity Cheerleaders. Kelli, kerri, Jeanie, Lori, and finally Leslie. Here were the 5 candidates for the 1987 Homecoming Queen.

The week before the Homecoming game was overflowing with school spirit, as the student body participated in the annual spirit week. "Bag the Bulldogs" day, "Scare'em Away" day, "Out Number'em" day, and "Inside Out and Backwards" day were all part of a BHS effort to warn those Bulldogs not to mess with the Rovers. A dance was held Friday evening following the Bon Fire Pep Rally. The band played, bandfront performed and the cheerleaders cheered, as the long awaited Homecoming game neared

The final day of the Homecoming activities began with the parade to the football field. The Rover Band and Bandfront led the way, followed by the court and their escorts, and finally the Redbank Valley Band. At half time, the Rover Band took to the field and the Homecoming Court and their escorts were announced. Then, the moment the crowd had been waiting for finally arrived. "The Brockway Area High School 1987 Homecoming Queen is

Miss Kelli Genevro.' The Rovers went on to win the game 22-6 making the day complete

The Homecoming Dance was held that evening in honor of the Queen and her Court. John Baxter, Lisa Fairchild, and chorus members sang the theme song "Somewhere Out There". The band "The Score" played for the occasion.

The events of Homecoming '87 were a great success, made possible through the hard work of the Student Council. They will be cherished by all who participated for years to come

Escort, John Carlson, Queen, Kelli Genevro, 1986 Queen, Jennifer Boucher

## "SOMEWHERE OUT THERE"

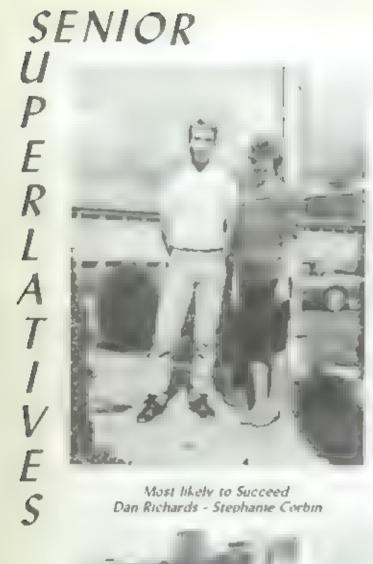

Four seasons ago a young squad consisting of only 14 players pounded their way to an 8 O season — the first ever for a Junior High Football Team. This past season, if of those 14 players were part of yet another championship team. Our own Brockway Rover Football Team earned the right to play in the Little 12 Conference Game. Entering with a 9 O Frecord, the Rovers won the championship for the second year in a row. Two weeks later the Rover Football Team also earned their way to the very first District IX Football Championship. Unsurprisingly, the Rovers won the District Title and ended the season with an II-O Frecord. Congratulations, Rovers. With your hard work and determination, you have shown what true Champions.

## MICHIEL CAMPHUYSEN

Coke, french fries, and a smile - All Americant

This is the second year for Brockway High School to have an exchange student. This year it is Mike Camphuysen, from Holland. When asked about his reasons for being an exchange student. Mike said that the two main ones where to go to different places and to meet new and interesting people.

As an exchange student, Mike will travel to other places besides Brockway. He went to Florida in November and will be going to New York and Washington in the spring with other exchange students.

Mike played on Brockway's Soccer and Basketball teams. He was an influential player with exceptional talent.

In Holland, Mike enjoys playing ice hockey and soccer. There are not school sports and the sports in America seem to be taken much more seriously according to Mike.

When asked about his future plans, Mike said they were to finish high school and then enroll in the United States Naval Academy.

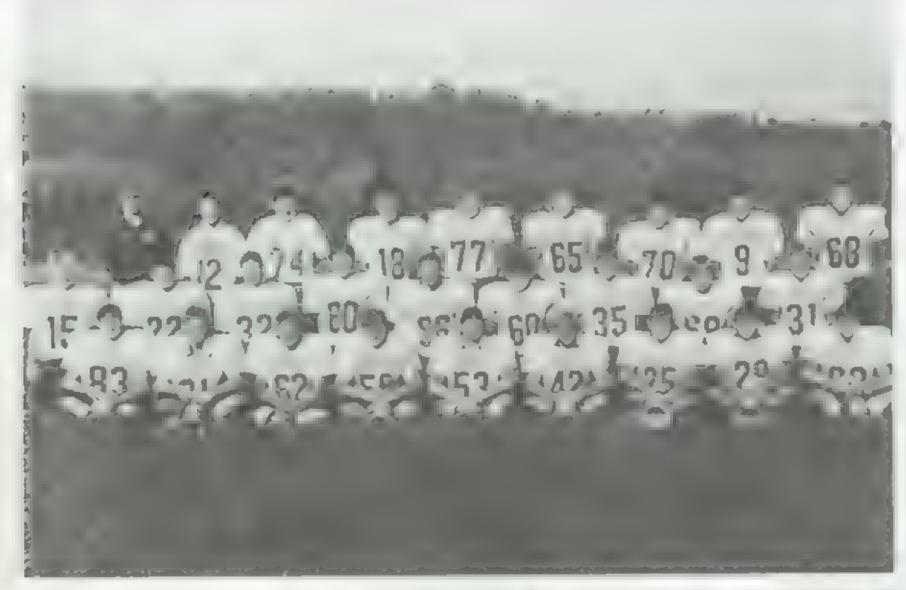

Mike will be graduating with the class of 1988, even though he has been taking classes with the juniors. Many new friendships have been formed and we hope that someday Mike will return to visit and get reacquainted with those of us who are his American friends.

### SCHOOL PLAY

### "GET WITCH QUICK"

After weeks of grueling rehearsals and lots of advice, the all-school play was ready to air. "Get Witch Quick" was a delightfully witty comedy about a school for young witches. As the natural fact of life, it follows an age-old form . . . boy meets girl, girl is a witch, a jealous witch casts a love spell and presto ... humorus antics begin to take place. In the end, the boy and girl get together, the evil witch gets what's coming to her and the audience is entertained. A cast of 21 students brought Craft College alive with laughter, tears, and even an exorism. The play was dedicated to the senior cast and crew members. For Miss Tracey Britten, this was the first play directed at Brockway High School. The cast and crew hope they didn't disappoint her.

### SOPHOMORES

COURRT

Karen Carlson and Julie Gatto

This year has been another year full of activity for Student Council Some of our activities included. Wonder land Ball, and the Beach Farty dance. This year we also helped produce the second annual. Afternoon specials with the help of our faculty, secretarial staff, and school board, we raised over \$1.400 for the local food pantities some of our fund-raisers included, car washes several casual dances, and the concession stands at the sporting events.

Many of our representatives had the priviledge to travel to get information from other councils at such events as the state convention, held this year in Allen town, district convention, held in Johnsonburg, and the Informediate Unit Student Forum meetings. Brockway had the honor of having one of our representatives chosen as the regional representative to the State. This representative was Kerri Powell.

The student council would like to thank the student body faculty administration school board and commutits for helping make this school year such a success

### ACKNOWLEDGEMENTS

As the pieces of our lives slowly fit together, we, the Senior Class of 1988, look back upon this Senior Year and see how the experiences we shared have helped us to grow.

We eagerly await the future and all of the challenges that it may hold and we sincerely hope that the future holds success and happiness for every member of the Class of '88.

As the 1988 Dawn editors, we would like to thank all those people who have made this yearbook possible Bernie Magirl, our local Walsworth Representative, Bud Greineisen, our "spur of-the-minute" photographer, and Mrs. Nancy Kocher, our business manager. Also, a special thanks to those who have contributed countless pictures, especially, Mrs. Joan Miller, Mr. Tom Murray, and our very own student photographer, Kevin Salandra. Continuing, we would like to thank Mrs. ElMasry for the time she spent on the artwork for the yearbook, and finally, "thanks" to the yearbook salespersons

To Mrs. Carlini, we extend our deepest gratitude for her undying dedication, support, and friendship!

We will miss you!
